If roofing is one of the projects you requested, please be aware that only a handful of families will receive a new roof. Unpredictable weather, skill set of volunteers, style and pitch of roof, and time restraints are a few of the factors that will contribute to the roof selection process.

Applications will be accepted until May 8th at 5:00 pm. You can drop them off at 852 Kensington Avenue or email them to EDOHBuffalo@eightdaysofhope.com. On May 15th, a public drawing will be held at our facility at 7:00 pm. Applicants may attend if they wish, but it is not required.

If your family is selected, Eight Days of Hope will commit to at least one project that your family requested. Please remember your home needs to be in the Lovejoy District, you own the home, and it is your permanent residence.

By signing this application, I acknowledge that I have read and understand the conditions stated.
