EIGHT DAYS OF HOPE ANNOUNCES 2023 BUFFALO OUTREACH

Buffalo, NY – Eight Days of Hope (EDOH) is announcing their fourth eight-day outreach since 2019 to help the City of Good Neighbors with free home repairs over the summer. From July 15-22, over thirteen hundred volunteers will serve 100 families in the Lovejoy District. Some of these repairs will include painting, porch replacement, window installation, roofing, landscaping, concrete work and more!

“It’s humbling to see the City of Good Neighbors come together to serve one another,” shares Steve Tybor, EDOH President, “Whether it’s through landscaping or roofing or painting, the impact that is made through the love of volunteers lasts beyond what we can imagine.”

EDOH will be partnering with over 60 local businesses and churches, including Elim Christian Fellowship Church, where we will be headquartered during the outreach, to provide the materials and funds necessary for this outreach.

EDOH invites you to join them this summer in the Lovejoy District. There is something for everyone of all ages and skillsets. To volunteer or for more information, visit www.eightdaysofhope.com.

The ministry also invites those who need home repairs in the Lovejoy District to apply for assistance. To qualify, you must own and reside in your home, and the home must be in the Lovejoy District.
