EIGHT DAYS OF HOPE DEPLOYS RAPID RESPONSE HEAVY EQUIPMENT, MASS FEEDING TO MIDDLE TN TORNADO OUTBREAK

Tupelo, MS – Eight Days of Hope (EDOH) is responding to the deadly tornado outbreak that left a wake of damage across Middle Tennessee on Saturday, December 9. We are deploying our Rapid Response Heavy arm and our Mass Feeding Ministry to the 12-mile-long path of destruction in Clarksville, TN.

Our Rapid Response Heavy arm is bringing a team of certified chainsaw cutters and heavy equipment operators to help remove larger debris, such as fallen trees, tarp roofs, and more, for those impacted by the storms.

Our Mass Feeding Ministry is setting up at Hillcrest Baptist Church (380 Dover Rd, Clarksville, TN 37042) to provide warm meals to first responders, volunteers, and those impacted by the storms. All are welcome to come by starting Tuesday, December 12 at 12 p.m.

Both teams will be in the Clarksville community for up to eight days.

“The loss of life in the midst of such damage is heartbreaking, especially so close to the Christmas season. Our hearts are breaking for the Middle Tennessee community, and we are humbled to be able to serve those in need through our Rapid Response and Mass Feeding Ministries,” says Stephen Tybor III, EDOH President and CEO.
