**EIGHT DAYS OF HOPE – BUFFALO 2025 COMING TO NIAGARA DISTRICT**

**Buffalo, NY** – Eight Days of Hope (EDOH) – Buffalo 2025 is taking place this July, serving the Niagara District in Buffalo. This outreach will take place from July 19 to July 26, bringing together businesses, churches, and people from across the state to build a better Buffalo, one home at a time. This year's event is the 6<sup>th</sup> annual outreach for EDOH in the City of Buffalo. Since 2019, over 1,596 families in 5 different districts have received free home repairs.

"Each year, I eagerly look forward to our summer outreach in Buffalo. Seeing my hometown come together to love and support one another brings me so much joy and reminds me that the Buffalo spirit is truly special," said Stephen Tybor III, EDOH President and CEO. "This year will be no different, as we hope for a record-breaking number of volunteers and families served in the Niagara District. Join us this July as we make a difference in this amazing community."

"For years, the Niagara District has been eagerly awaiting the day when Eight Days of Hope would take on serving some of our homeowners who need it the most," says Council Member David Rivera. "That day is finally here, and we could not be more delighted to see the transformation that Eight Days of Hope, together with their legion of volunteers, has on the West Side!"
