**EIGHT DAYS OF HOPE SERVES 340 FAMILIES IN NIAGARA DISTRICT**

Buffalo, NY – Eight Days of Hope (EDOH) – Buffalo wrapped up its 6<sup>th</sup> annual summer outreach in the City of Buffalo on Saturday, July 26, providing free home repairs, landscaping, and more to 340 homes in the Niagara District. This eight-day event brought together a record number of volunteers in Buffalo, as 1,811 people gathered from WNY and across the United States to love and serve those in need.

“Buffalo, we are constantly humbled by the way this city comes together each year to show what it truly means to love your neighbor,” says Stephen Tybor III, EDOH President and CEO. “There is something so special about how individuals, churches, businesses, and government organizations unite to lend a helping hand, and as a result, make Buffalo even more beautiful and more welcoming.”

Since EDOH – Buffalo launched in 2019, we have served in six different districts, helping 1,940 families with home repairs, such as roofing, porch replacement, landscaping, lead paint removal, and more.
