**EIGHT DAYS OF HOPE RAPID RESPONSE TEAM HEADING TO
PENSACOLA, FL, FOLLOWING HURRICANE ISAIAS**

Tupelo, MS – Eight Days of Hope (EDOH) is deploying its Rapid Response team to Pensacola, FL, after Hurricane Isaias devastated the area. At its peak, the hurricane brought destructive winds, storm surge, heavy rainfall, and flash flooding, leaving widespread damage to homes, businesses, roads, infrastructure, and so much more.

“Our team has been watching Hurricane Isaias closely and preparing to respond wherever the greatest needs arise,” shared Chandler Gurley, EDOH Vice President. “Today we are humbled to send our Rapid Response team to come alongside families in the Northwest Florida community who are facing the damage left behind by this storm. Our team is ready to bring hope to those who are hurting.”

The Rapid Response team will love and serve families impacted by Hurricane Isaias from October 15-31. Their team will assist with sorting personal belongings alongside families, debris removal, roof tarping, and other critical storm recovery efforts.

“We know that when a hurricane comes through, families can be overwhelmed by what they see when they return home or begin the recovery process,” said Steve Tybor, EDOH Founder & President. “We want them to know they are not alone. Our team is on the way with the hands and feet to encourage and walk alongside them as they begin life after the storm.”

Food and lodging are provided for out-of-town volunteers. More information can be found at eightdaysofhope.com.
